HISTORICAL BACKGROUND

Chandrakant Patil P U College of Science and Commerce, was started in the year 1999 by Shri Galangalappa Bassappa Patilji born in the most cultured family of farmers from a small village (Nippani), under Chandrankant Galangalappa Patil Memorial Public Charitable Trust catering to the needs of the students of Kalyan-Karnataka region. "Work is Workshop" was the sole moto of Sri Galangalappa Bassappa Patilji, a agriculturist, renowned industrialist, philanthropist, and indeed a freedom fighter from Kalaburagi. Though deprived from education in his early childhood, he was a visionary who dreamt of educating the youth of Kalyan Karnataka Region, and had been an inspiration for infinite scholars of this region. This noble intention lead to the emergence of Chandrakant Patil PU College of Science and Commerce, which has completed 24 years of journey with an alumni of above fifteen thousand students stratified globally making positive contribution to the society. The college campus is spread in a green stretch of 16 acres of land away from the hustle of city with the state of art infrastructure, and experience faculty members. The college runs Science stream, with PCMB and PCMCs combinations integrated with NEET/IIT-JEE/K-CET and Commerce stream with EBAS and EBACs with integrated CA/CS/CLAT, it is a secured campus with round the clock CCTV Surveillance.

VISION

"Our vision is to develop Chandrakant Patil PU College Science & Commerce at Kalaburagi into a campus of excellence that will encourage professional attitudes in students towards careers of their choice and motivate them to become men, and women of character capable of making positive contribution to the society".

MISSION

Our mission is to make our college a nurturing ground for the holistic development of young minds through intellectual nourishment and wholesome education that sustains emotional stability and strength creatively to the challenges in a world full of competition.

MOTO

"An Enlightened student is a Source of Infinite Strength and courage"

Chairman's Desk

Dear Enlightened Parents,

I delightfully welcome you and your child to CPPUCSC family. My vision is to provide motivated, responsible and disciplined youth to the Nation. Chandrakant Patil PU College of Science and Commerce established in the year 1999 is the most reputed and promising institution that nurtures value based quality education at undergraduate level catering to the diversified needs of the society in Kalyan Karnataka. Our comprehensive development programs provide students an international learning experience, while preserving our core values. We aim to promote integral education in a congenial learner-friendly environment by allowing our students to experience, explore and experiment. We firmly believe that education is a tripartite process with the equal participation of the students, teachers and the parents. The purpose of education is to inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability in a student to succeed in a world full of competition. Our endeavor is to strike a balance between state-of-the-art infrastructure and an internationally acceptable education.

You would find a wealth of learning opportunities at CPPUCSC that would serve as an essential stepping stone to a fulfilling life and career. We are confident that this college is the best place for your ward, and we welcome your active interest and involvement in the progress and activities of your ward.

We look forward to your continuous support.

With all good wishes,

MESSAGE FROM THE MANAGING DIRECTOR

It is always a pleasure to share our achievements, successes, and thoughts with you all. As the Quest for knowledge is a never-ending process, and the objective of education is to set a goal, be a decision maker and indeed a continuous learner. Looking at the strides our college has taken since its inception in 1999, and the milestones achieved thereof, fills my heart with pride.

As the word of Walt Disney says "All our dreams can come true if we have the courage to pursue them." The world around us is constantly changing and there are many challenges that lie ahead of us demanding a change. The need of the hour is to collaborate, innovate and keep growing, to keep pace with the inevitable changes. Hence in my opinion Education and training today are to be aligned and geared to meet these remarkable challenges, upholding our Vision and Moto. As a pivotal center of educational excellence, Chandrakant Patil PU College of Science and commerce has always responded proactively to all educational challenges and opportunities alike, refurbishing its learning strategies and goals, enabling students to understand and act on issues of global significance. Over 24 years, our approaches to educational reforms have been thoughtfully planned to forge a synthesis of academic content and skill development. We have infused critical thinking, communication, collaboration and creativity in all our educational practices enabling our students to meet the challenges of the world with full of competition..

We have experienced, talented, dedicated caring staff, working very hard to enhance the hidden potential of students thus bringing all round development.

I pray to the supreme authority that our college scales new heights in the coming years bringing fame and glory.

JAI HIND

Sri. Chandrakant B. Patil

MESSAGE FROM THE EXECUTIVE DIRECTOR

I have always fallen a responsibility toward the society and gratitude for all it has given to me. I feel that I could contribute my share by providing a useful platform and interface for imparting quality education through Chandrakant Patil PU College of Science and commerce, which has enlightened thousands of students since its inception in 1999. The dedication and devotion of my team has been able to develop a confidence amongst the potential scholars and has built reputation as a temple of learning. Our educational initiatives believe in creating an academic foundation for social, cultural, scientific, economic and technological development. Therefore, our focus is to achieve unparalleled excellence that will bring development to our society and indeed our country.

JAI HIND

Dr. Kailash B. Patil

Principal Desk

As the Principal of the Chandrakant Patil PU College of Science and Commerce at Kalaburagi, I feel honoured and privileged to lead this educational institution where every stakeholder is a learner with an opportunity to learn and discover. The purpose of education is to open up a closed mind. "The development of any Society depends upon the dynamic, futuristic and challenging nature of its Educational System that creates professionals for different fields of the society." Thus, the role of institution is not only to pursue academic excellence but also to motivate and empower its students to be a lifelong learners, critical thinkers, and productive members of an ever-changing global society. We are an educational brand committed to excellence in education. We strongly believe that every child is unique and require an opportunity to showcase his hidden potential CPPUCSC is the right place to prepare them for the 21st century. We are a caring community emphasizing to the needs of pupils where traditional and modern educational values are respected and encouraged. The Scholastic, Co-scholastic and extra-curricular activities are well planned and executed in precision to help the students in their learning, socialization and to develop their overall personality.

We are focusing on raising their bench mark standards in order to achieve excellence.

I take this opportunity to thank all the parents who have reposed their faith in our college. We assure you to do our best always. We strongly believe in the importance and the concrete feedback and suggestions from parents that would help us to build

the college together as an exemplary model of education in this region. We look forward to serve you and your children in the coming years. I would like to end with the words of Dalai Lama.

"While educating the minds of our youth, we must not forget to educate their heart"

INFRASTRUCTURE

"Education is the key to success in life, and teachers make a lasting impact in the lives of their students." In terms of infrastructure Chandrakant Patil PU college of Science and Commerce (CPPUCSC) is one of the best colleges in the Kalyan Karnataka Region matching benchmark standards. Consistent with its history and philosophy, the college has continually expanded its infrastructure both physical and digital, to excel at stakeholders expectation and provide a conducive and vibrant environment for the holistic development of young minds, by facilitating and promoting studies in emerging areas of Science and Commerce. We are embarking in this direction with the most cherished goals. The college is Wi-Fi enabled, classrooms digitalized, and fully equipped open-air auditorium. The college takes pride in being a differently-abled friendly campus with lift and a state of the art infrastructure. The college provides an eco-friendly environment with the latest initiatives of solar panels and other green initiatives. The campus is CCTV enabled catering to the safety requirements of a well endowed and equipped campus. The college infrastructure has witnessed several architectural milestones over the years since its inauguration in 1999. The progressive efforts of the management has resulted in to a new College Campus with a builtup area of 45,000 sqft. with the state of the art infrastructure (2025-26)
